**Re: U89SDB680TU01 Certification:**

**47 CFR Part 2.1033(c)(8)**

To Whom It May Concern:

The frequency of operation of the U89SDB680TU01 base station radio cannot be programmed by the operator to transmit on frequencies other than those programmed by service or maintenance personnel. The U89SDB680TU01 base station requires the operating frequencies to be programmed through the use of an external device only available to service or maintenance personnel.

Yours sincerely,
